PRESIDENT'S MESSAGE

HON. PRAKASH J. R. DHARIWAL
PRESIDENT, SJVPM

Dear students,

I am very happy to know that, Rasiklal m. Dhariwal college of pharmacy is releasing its college newsletter.

In the globalization of world, the pharma sector plays main role for society, due to various new researches and changes taking place day by day creates tremendous scope for the future of students. To cope up with the needs of the society it is essential to develop new methods which will meet the various requirement of technology in pharma sector.

“Education is the most powerful weapon which you can use to change the world.”

-Nelson Mandela

These words perfectly describe our aim at Rasiklal M. Dhariwal College of pharmacy. With this prospective we are always trying to give best education as it is very necessary for all to go ahead in the life and get success. This develops confidence and helps building personality of a person. Education plays a paramount role in the modern technological world. Now-a-days, there are many ways to enhance the education level. The whole criteria of education have been changed now.

As profession continues to evolve, our college is better positioned to provide education tailored to meet needs of current environment. The full time faculty is enriched with tremendous knowledge to share with the students. The students have easy access to professors, administrators. The working environment has positive effect on the working staff as the staff work in co-operation and oriented learning, which is beneficial for the uplifting of the institution. I am proud to be chairman of SJVPM'S Rasiklal M. Dhariwal college of pharmacy, such an outstanding diploma pharmacy college, whose core commitments to interdisciplinary, experimental learning, integration with the pharma community, diversity and community defines our past, shape our present and guide our future. I wish you all the best.

HON.GEN.SECRETARY'S MESSAGE

HON. RAJENDRAKUMAR J.S. MUTHA
HON. SECRETARY, SJVPM

SJVPM's branch RMDCOP offers a premier education to highly motivated student preparing for career. As profession continues to evolve, our college is better positioned to provide education tailored to meet needs of current environment. Our college is located in prime location of PCMC, with the best infrastructure, techno-savvy ambience, latest gadgets, we are focusing on current requirement of pharma sector and thereby upbrining job oriented courses, and career counseling with highly enthused qualified teachers for development of students, and to improve their ability.

I am proud to be honorary general secretary of SJVPM's Rasiklal M. Dhariwal college of pharmacy, such an outstanding diploma pharmacy college, whose core commitments to interdisciplinary, experimental learning, integration with the pharma community, diversity and community defines our past, shape our present and guide our future.

I wish every success for this magazine.

PRINCIPAL'S MESSAGE

DR. FEGADE S.A

Welcome to the noble profession of pharmacy!

The college is initiating for innovation learning and the advancement of knowledge. We would like to see dissemination of the knowledge which will give strength and ability to the students to grow. The field of pharmacy is redefining itself to meet 21st century healthcare Needs, but at RMDCOP our prime focus is integration of patient care, ethics & Knowledge base education. We are committed to deliver quality pharmacy education in order to develop students who will be professionally, intellectually and socially responsible. Our college has a digital library for our students. Classrooms are more than sufficient and the laboratories are modernized. Our college is regularly witnessing the conduct of seminars, webinars and guest lecture, FDP and co-curricular as well as extracurricular activities to expose the hidden talent of our students and to develop leading skills in them.

The faculty members are supported for knowledge and skill enhancement. I whole heartily welcome you all. I anticipating a productive partnership with you all to ensure our words can achieve their highest potential in this college.

VISION

To serve the society through quality education & faster global competencies, inculcating value system among learners.

MISSION

To provide quality education in pharmacy because quality is never an accident it is the result of high intension, intelligent exertion. It resembles the best among the many alternatives. Community oriented pharmacy & extension service through strong community relationship & continuous improvement in all constituent processes.
