## ***Message from President***

**Hon. Mr. Prakashji R. Dhariwal**  
**President**  
**Shri Jain Vidya Prasarak Mandal**

Dear students,

The college newsletter from SJVPM's Rasiklal M. Dhariwal College of Pharmacy will bring you great joy. Due to the abundance of new research and advancements that occur there every day, the pharmaceutical industry is crucial to the globalization of society and offers students numerous prospects for the future. There are numerous technological requirements that must be fulfilled in the pharmaceutical industry. It is necessary to develop novel ways in order to achieve these expectations. A popular adage is "Education is a passport to freedom, the key to unlocking the world."

These two terms summarize exactly SJVPM's Rasiklal M. Dhariwal College of Pharmacy's mission statement. We always aim to provide the greatest education possible because everyone values education so highly. We at Rasiklal M. Dhariwal College of Pharmacy place equal importance on addressing each student's academic demands and assisting them in becoming law-abiding adults. by teaching them qualities like self-control, self-awareness, spirituality, and moral principles, and by fostering in them a positive outlook. We are all aware that having the right education and being able to communicate effectively are essential for success. We therefore give soft skills like communication extra consideration. As a result, we can confidently state that Rasiklal M. Dhariwal College of Pharmacy is making all the necessary efforts.

## ***Message from Chairman***

**Hon. Mr. Shantilalji Ratanchandji Lunkad**  
Chairman  
Shri Jain Vidya Prasarak Mandal

Dear Students,

As the Chairman of this esteemed institution, I want to take a moment to express my pride in your continuous growth, both academically and personally. This year, we have witnessed countless achievements, and I am confident that, together, we will achieve even greater success.

I encourage each one of you to make the most of the opportunities available, to approach challenges with resilience, and to remain curious and open-minded in your pursuit of knowledge. Remember, education is not just about academic excellence but also about building character, leadership, and a sense of responsibility towards society.

Let us continue to foster an environment of support, collaboration, and mutual respect. Your hard work and determination are what will shape the future of our institution and make a lasting impact in the world.

I wish you all the very best in your endeavors. Keep striving, keep believing in yourselves, and together, let's make this year our most successful yet.

## ***Message from Trustee***

**Shri Satishchandaji M. Chopda**  
**Hon. Trustee & Governing Body Member**  
**Shri Jain Vidya Prasarak Mandal**

It gives me immense pride and satisfaction to share my thoughts about the noble profession of pharmacy and the holistic development of our students. The pharmacy profession today plays a pivotal role in the healthcare system. A pharmacist is not merely a dispenser of medicines but a guardian of patient safety, a healthcare advisor, a researcher, and a responsible contributor to society. With rapid advancements in pharmaceutical sciences, biotechnology, clinical research, and regulatory affairs, the scope of pharmacy has expanded tremendously. The profession now demands not only technical knowledge but also ethical commitment, compassion, and continuous learning.

At Rasiklal M. Dhariwal College of Pharmacy, we believe that education must go beyond textbooks. Our objective is to nurture competent professionals who are academically strong, ethically grounded, and socially responsible. We are committed to providing quality education supported by modern infrastructure, experienced faculty, research opportunities, and industry interaction.

## **Message from Principal & CEO**

**Dr. Fegade S. A.**  
Principal

**Shri Jain Vidya Prasarak Mandal,  
Rasiklal M. Dhariwal College of Pharmacy**

**Mr. Paliwal Avinash**  
Chief Executive Officer

**Shri Jain Vidya Prasarak Mandal,  
Chinchwad Pune.**

Welcome from the honorable pharmacy profession!

The college is beginning to support cutting-edge instruction and knowledge development. To give students the resources they need to grow, we hope that more information will be made available. Patient care, ethics, and knowledge-based education are the three primary areas of attention at SJVPM'S Rasiklal M. Dhariwal College of Pharmacy, even though the pharmacy profession

is changing to suit the demands of the contemporary healthcare system. Providing top-notch pharmacy education is our commitment to helping responsible people develop on the intellectual, social, and professional levels. Our college provides a digital library to its pupils. Numerous classrooms are available, and the labs have been renovated. The frequent seminars, webinars, guest lectures, FDP, co-curricular, and extracurricular activities that our college hosts reveal the invisible.

The teachers are helped by developing their skills and expertise. I assure you that you are all extremely welcome. I'm excited to collaborate effectively with everyone of you to ensure that our words have the greatest impact possible at this college.

Dear Future Pharmacists!

With immense pride and heartfelt confidence, I address the dedicated students of D. Pharmacy. You have chosen a profession that is not only respected but deeply meaningful. Pharmacy is not just about medicines—it is about healing, hope, and humanity.

Every tablet you dispense, every prescription you review, and every patient you guide carries a silent responsibility. Behind each medicine is a life that depends on your knowledge, precision, and compassion. As pharmacists, you will become guardians of public health—working tirelessly to ensure safety, effectiveness, and trust in healthcare. At this important stage of your journey, I want you to understand that your education is the foundation of your future. And I assure you that Rasiklal M. Dhariwal College of Pharmacy is committed to providing you with that strong foundation.
